Your donation to ACF makes Anaheim stronger  
through support of numerous community programs

## WHO WE ARE

The Anaheim Community Foundation (ACF) has helped build and maintain a better Anaheim since 1984. We do this by enhancing city-wide programs and services, aiding local groups to meet community needs and striving to improve the quality of life through community infrastructure improvements. This all is done through the generous support of our residents and businesses.

*30 years of service*

The all-volunteer Board of Directors from Anaheim civic and business communities takes pride in utilizing a wide variety of skill sets to manage the 501(c)(3) nonprofit organization. Donations are carefully managed and returned to the community for various projects and programs.

## WHAT WE DO

It is the mission of the Anaheim Community Foundation (ACF) to build community through people, partnerships and pride. We assist a multitude of areas, such as youth programs, arts, culture and recreation.

### GRANTS & SCHOLARSHIPS

In today's melting pot society, young people need positive alternatives to gangs and other risk factors. ACF grants and scholarships help develop self-esteem while promoting personal and community responsibility. Projects emphasize the value of staying in school, job training and outlets for organized recreational activities for youth, teens and adults.

### COMMUNITY IMPROVEMENTS

ACF provides support to enable facilities such as libraries or Pearson Park Amphitheatre to offer affordable opportunities for families to experience music, dance and theater arts.

### QUALITY OF LIFE

Not all of our fellow citizens have the physical abilities to participate in many community activities. ACF is committed to assisting those with disabilities to develop their own social skills with confidence and independence by supporting programs for seniors, therapeutic recreation and various human services.

## WHY SUPPORT ACF?

As a nonprofit organization, ACF directs annual funds to support charitable causes. When you give to ACF, you strengthen our capacity to support worthwhile community organizations and individuals.

### ANAHEIM YOUTH SERVICES ASSESSMENT

In 2012-13, ACF conducted an Anaheim Youth Service Assessment with 130 stakeholders, with focus group input from parents and community leaders. Among the priorities that emerged from this study are:

- Safe programs for youth
- Experiential leadership opportunities for teens
- Family involvement
- Community collaboration

The full report is available at [www.AnaheimCF.org](http://www.AnaheimCF.org).

By supporting ACF, you become a partner in addressing prevalent community needs, providing grants to worthwhile nonprofit organizations, awarding youth scholarships for after-school programs and creating opportunities for families to enjoy positive experiences.

## HOW TO GIVE

Giving to ACF allows you to make a difference, be remembered and enrich the quality of life in our community now and in the future. There are many ways to make a gift, including:

- ACF Annual Giving Campaign
- Helping Hands donor program
- Individual donations or corporate gifts
- Employee payroll deductions
- Gifts in memory of family and friends
- Will, trust or life insurance beneficiary
- In-kind donations of products or services

# Thank You

Donations can be sent directly to:
