February 2018

Dear Potential Grant Requestor:

The Anaheim Community Foundation was founded in 1984 to serve Anaheim residents by supporting a broad base of programs, services, and organizations that enrich the quality of our community.

In 1996, the City of Anaheim created the Helping Hands Program. This program offers residents and businesses the opportunity to make a tax-deductible donation concurrently with the payment of their utility bill to assist local programs directed at youth and seniors and to assist less fortunate Anaheim residents with one-time utility bill payments. The Anaheim Community Foundation was asked by the City Council to receive and disburse funds collected under this program.

**The Foundation allocates funding for organizations that serve Anaheim residents.** Please review the Helping Hands Program Guidelines for details on the qualifications. Applications will be solicited once a year; however, special requests may be honored during the year if the ACF Board approves and funds are available.

Helping Hands grant applications are available online at [www.anaheimcf.org](http://www.anaheimcf.org). The President or Chair of your organization's Board of Directors must sign Grant applications. In lieu of that, please include a letter signed by the President or Chair of the Board of Directors stating that they and the organization approve of the grant submission. Applicants must provide one (1) original and two (2) copies of their grant applications, stapled and 3-hole punched. Incomplete grant application forms will not be accepted. All funded organizations will be required to provide an annual report, providing documentation indicating the grant was utilized for the purpose for which it was intended.

Applications should be addressed to: 2018 Helping Hands Grants  
Anaheim Community Foundation  
200 S. Anaheim Boulevard, Suite 433  
Anaheim, CA 92805

Questions may be directed to Holly Unruh, Community Services Supervisor, at [hunruh@anaheim.net](mailto:hunruh@anaheim.net) or (714) 765-5250. The deadline for application submission is Wednesday, March 21, 2018.

Sincerely,

Stephen H. Sain  
Chair, Grant Distribution Committee
